

Sprint 2 Plan  
HoneyDo  
Project Team 1  
Completion date: 5/2/17  
Revision #1  
Revision date:5/2/17

**Goal:** The goal for the second sprint is to clean up what we made in sprint 1, as well as add some enhancing features.

**Task listing, organized by user story:**

US 1: As a user, I want to be able to drag Tasks into a day on my calendar (3)

- Make Day buckets droppable
- Make item draggable from the lists and drop to a day

US 2: As a user, I want the list to organize by tasks with highest priority at the top (3)

- Add flag button on each todo Item
- Toggle flag changes priority boolean on TodoItem
- Make priority with item in TodoItem

US 3: As a user, I want to see my progress so I can keep track of how much I've accomplished (5)

- Make "assigned to day" boolean for TodoItems
- Make total todos in bar = todoItems with "assigned to day" boolean == true
- Make Bar component

US 4: As a user, I want color coding so I can glance at the calendar briefly and know what to do. (3)

- Have Every ToDo List have a color. Make a drop down menu for user to pick color for the todo-lists when a new todo-list is created
- have multiple to do list. At the moment, only have one

US 5: As a user, I want to assign times to my Todo's, so I can know exactly when to do them. (8)

- Make UI for assigning times
- Make Items auto-sort by time in the Day Buckets

US 6: As a user, I want my Todo Items to be saved so that they're always there when I come back to them (13)

- Get database to store todo items

**Team Roles:**

Sydney Flak: Product Owner, UI developer  
Ryan Ho: Developer, Backend developer  
Anthony Nguyen: Scrum Master, Developer  
Michael Wong: Developer  
David Ip: Developer

### Initial Task Assignment:

Sydney Flak: Make Bar Component

Ryan Ho: Get database to store todo items

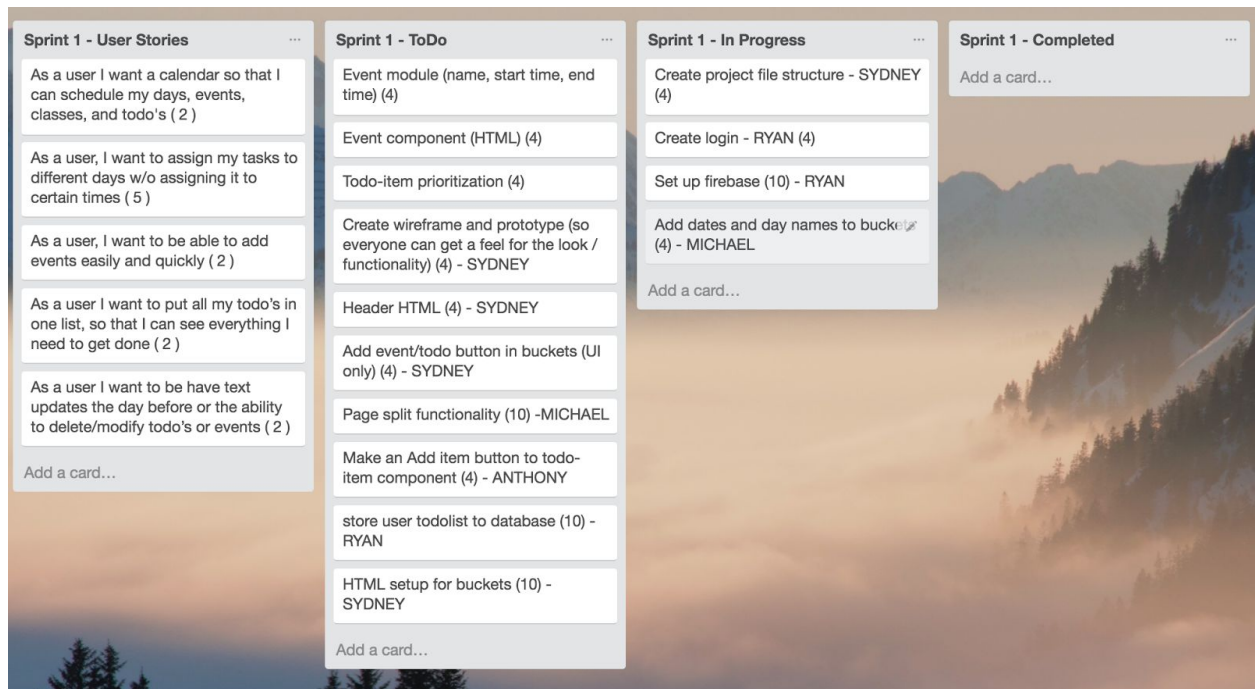

Anthony Nguyen: Make priority with item in TodoItem

Michael Wong: Make Items auto-sort by time in the Day Buckets

David Ip: Drag-and-drop to-do elements function

### Initial burnup chart:

### Initial scrum board:

### Scrum Times:

Monday at 10:30am

Thursday at 3:20 with TA

Friday at 4:30pm
