Work completed/not completed

Completed:

- As a user, I want color coding so I can glance at the calendar briefly and know what to do.
- As a user, I want to have accessibility to tips that show me how to use the interface.
- As a user, I want the ability to edit my lists or activity names so I can fix typos.
- As a user, I want a search bar to get the dates for when an activity is or where an activity is on my todolists, or if an activity is done.
- As a user, I want to see my progress of a percent of stuff done (25%, 50%, 75%, 100%)

Not Completed:

- As a user, I want a settings page so I can edit my account preferences.
- As a user I want to have a statistics menu so that at the end of every month, the user gets a percentage of the number of tasks accomplished. Also calculate percent change from former month.

Work Completion Rate:
Total number of user stories completed: 5
Total number of estimated ideal work hours completed: 34
Total number of days: 15
